Dear Goodwater Montessori School Families,

Thank you for the trust, partnership, and support you have shown throughout the years. It has been a privilege to serve your children and families as part of the Goodwater Montessori community.

As you likely recall, we notified you on April 22, 2026 that the Board of Directors approved the recommendation to close Goodwater Montessori School at the end of the 25-26 school year. The Commissioner of the Texas Education Agency has since approved the request to permanently close Goodwater Montessori School and relinquish the charter held by Wilco Montessori Partners, effective July 31, 2026. The last day of instruction was Thursday, May 21, 2026. This letter is being sent to you at TEA's request to make sure you have all the information you need moving forward.

In preparation for the school's closure, families are encouraged to obtain any needed student records directly from Goodwater Montessori School **before September 30, 2026**. Please reach out to our registrar (registrar@goodwatermontessori.org) for student record requests.

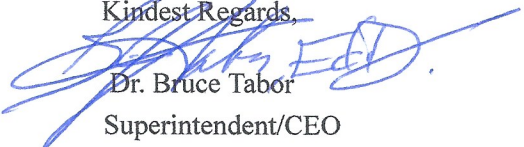

After September 30, 2026, student records requests will be managed through Education Service Center Region 13 (ESC XIII). Families may contact ESC XIII using the information below:

Attached is a list of schools that serve Williamson County school students for your convenience.

We remain deeply grateful for the opportunity to walk alongside your children during their educational journey. The relationships, growth, and community built through Goodwater Montessori School will continue to leave a lasting impact on all who have been part of it.

Kindest Regards,

Dr. Bruce Tabor
Superintendent/CEO
